RELEVANT EXPERIENCE

JPMorgan Chase Bank, Tarzana, CA
Personal Banker - Manager on Duty, 2015-2018
In addition to working closely with team members to align customers' needs with customized services, supported tellers and bankers in the absence of branch manager. Responsible for running the branch to ensure operations run smoothly and customers' concerns were addressed.

Selected Contributions:

- Built a relationship with customers and listened to their needs/concerns, before offering a solution
- Educated clients in ways that make their banking easier, safer, and more convenient
- Known by the management as a flexible employee and a team player
